### Are you looking for practical help, new perspectives and individual advice?

SES Experts provide assistance for you and your employees on site.

Senior Experten Service (SES) is Germany's leading volunteering organisation for experts and executives who are either retired or taking some time off work (*Weltdienst 30+*). Since 1983, the non-profit organisation has been supporting the voluntary transfer of knowledge and experience worldwide. Senior Experts mainly work in Africa, Asia, Latin America, East and Southeast Europe, but also in Germany.

SES provides expert knowledge to boost sustainable economic and social development. SES assignments strengthen local skills – across sectors and industries.

Assignments have an average duration of four to six weeks. If certain criteria are met, the assignments including the project handling costs can be funded by the German Federal Ministry for Economic Cooperation and Development (BMZ). Your cost sharing will be checked and decided individually..
